Sensitive Santa

HOLIDAY PHOTO EVENT

DECEMBER 4
8am–11am

This is a special time to visit Santa, which is reserved just for children with Autism. SuperMall will make its Santa area "sensory friendly," with lower lighting and quieter surroundings.

Each family who attends will receive a free Santa photo and enjoy festive giveaways to commemorate this magical holiday season.

If you, or someone you know has a child that would enjoy this wonderful event, contact Renee Bochnovich at SuperMall at: rbochnovich@glimcher.com to RSVP or request more information.

Also, we encourage you to share this information with educators, socialworkers or medical professionals who work with children with Autism. Help us spread the word about this wonderful event!
